

ROAD CLOSURE INFORMATION

SUNDAY 19 SEPTEMBER 2021

There will be a rolling program of road closures starting from Anchor Road at 04:00 on Sunday 19th September 2021 in order to ensure a safe running route for the 12,000 runners taking part. Please see the map overleaf for details of the route, road closures and diversions. All roads should be reopened by 17:00.

Roads will be reopened in phases once each section is clear of runners, litter and event infrastructure.

During the road closure vehicular access will not be possible. Unless otherwise stated or pre-agreed. We appreciate that road closures can cause some inconvenience but your cooperation would be appreciated in assisting the City of Bristol to host this prestigious sporting event.

Pedestrian and emergency service access will be maintained to all properties throughout the event.

Please make us aware of any concerns regarding the proposed road closures no later than the 15th September.

For traffic queries, information about road closures and alternative routes please email travelbristol@greatrun.org or call our Freephone number **0808 164 4 654**
